

Introduction of the Country Workplan Template

Marco Arena, P-CBA Coordinator,
UNDP

Objectives:

- Plan the implementation of P-CBA at the country level.
- Select the case study and define in-country trainings.
- It would be a reference for us to help framing our support.

Empowered lives.
Resilient nations.

Structure:

1. Baseline of existing capacities, practices and past trainings.

Already populated according to countries' presentations given on the DAY 1.

Case study:

- Identify one or more on-going initiatives for the learning by doing component of P-CBA. (Please consider the projects listed in the registration form and other initiatives)
- Briefly describe the problem, the project and how CBA could inform decision making.

In-Country Training:

- When?
- Who is going to be involved? (Country teams: Which ministries? What kind of government officials?)
- What? (Any particular requirement for the training?)
- How will it be resourced/funded? (linkages with projects)

Internal processes and external sustainability measures:

- Outline which actions could be undertaken to integrate CBA into government processes
- What kind of support would be needed from external institutions in the long-term.
